

"HTML MARQUEE"

<marquee> tag with various attributes.

- **direction:** Specifies the direction of the scroll (left, right, up, down).
- **behavior:** Defines the scrolling behavior (scroll, slide, alternate).
- **bgcolor:** Sets the background color.
- **height:** Defines the height of the marquee.
- **width:** Defines the width of the marquee.

- **vspace:** Sets vertical space around the
marquee.
- **hspace:** Sets horizontal space around the
marquee.
- **scrolldelay:** Sets the delay between each
scroll step (in milliseconds).
